

LUVION®

GRAND ELITE 3 CONNECT PLUS

“What if you could see your baby day and night from all over the world”

LUVION® proudly presents the LUVION® Grand Elite 3 Connect Plus, like its little brother, The LUVION® Grand Elite 3 Connect Plus features LUVION® Triple Mode Technology, which enables you to monitor your baby at home on the 5” colour touch screen monitor or simultaneously anywhere in the world on your smartphone or tablet. You can connect up to 4 cameras for brothers and sisters to the monitor and to the App.
